### Crystal Challenge

This is one of our most popular outdoor team building events. It is enormous fun, gets all team members working together and develops a competitive spirit between the teams. Teams compete across a wide range of team building challenges, all in a bid to earn as many crystals as possible to take forward to the Crystal Cube Finale. Teams can take part on a rotational or a head to head basis at each challenge before moving into the Crystal Cube!

### Crystal Dome Finale

This is what the teams have all been working towards - the dash for cash inside our inflatable Crystal Dome. Crystals won on each team building challenge are each exchanged for 20 seconds inside the Crystal Dome as teams compete to gather as many golden tokens as possible.

- 3:30pm Guests return to the barn for tea, home-made cakes.
- 4.00pm Departure

A Day in the Country provides all equipment and instruction, food and soft drinks and full event management. Soft drinks will be available throughout the day. We require final numbers at least 5 working days in advance of the event. If the numbers drop the price per head may increase.
