

Sample Activity Day

10:00am Guests arrive and are welcomed with tea, coffee and homemade biscuits.

10.30am Guests are briefed on the day's activities by a Director of A Day in the Country. The activities will include:

Dog Agility & Ferret Racing

Guests face the challenge of a head-to-head rustic agility relay race with dogs such as the Springer Spaniel "Mad Barking Billy", star of TV and Movies. They then get to double or lose their points with ferret racing over an obstacle course using ferrets such as Big Bad Bubba, Chainsaw Charlie, Polecat Pete and Chicken Tikka Marsalla!

Rage Buggies

These are large grass go-carts at the heart of which is a robust Honda V-Twin petrol engine, giving strong performance from its 620cc capacity. Guests do timed laps around our obstacle course and the team with the best time wins!

12:30pm Guests return to the barn for a light buffet lunch (chef's choice according to season and weather) for example:

Warmer months:

A selection of the following – our famous sticky glazed local sausages, spiced chicken strips, hand made pasties, quiches and tarts with salads and baby roasted new potatoes and fresh bread

Dessert: Typically one of the following – Seriously indulgent chocolate brownies, Bakewell tart, Fruit salad pots or strawberries

Colder months:

Typically one of the following – homemade soups, lasagne, beef goulash, chilli con carne, steak & mushroom pie, all served with salads and baby roasted new potatoes and garlic bread

Dessert: Typically one of the following – seriously indulgent chocolate brownies, sticky toffee pudding, mini crumble pots

(Please advise dietary requirements in advance)

1:00pm Guests will now take part in the activities they did not complete in the morning.

Clay Pigeon Shooting

The original country pursuit, and always enjoyed. Our experienced instructors can turn any novice into a crack shot. Special light-weight guns are provided for those that prefer to use them. Six different stands are available at different locations around the estate.

Hovercraft driving

The hovercraft provides an unusual test of co-ordination skills and an element of competition. Each hovercraft is managed by an experienced instructor who ensures the programme runs smoothly and the clients get the most out of the machines. These safe air cushion machines are easy to drive and promise an exciting and rewarding day out for everyone.

3:00pm Guests return to the barn for tea, home-made cakes followed by prize giving for the best at each activity

4:00pm Departure

The
GREAT BARN
A Day In The Country

This includes all food and soft drinks, instruction and equipment, full event management and prizes for the winning team. Final numbers are required at least five working days before the event and if the numbers drop then the price per head may increase.
