

Strictly Come Dining - Cook & Dine

Team Size: Up to 50

Duration: 3-4 hours

Hilarious corporate party event. Each group will cook for another, provide the table lay out, and serve their colleagues. They must also organise cheesy entertainment from balloon modelling, juggling and even magic tricks.

We teach you some culinary tips and give you our expertise as well as providing everything you need for the ultimate cookery experience and a great fun team event.

Facilitated by a team of trained chefs and an event manager. Your department will have great fun going head to head to produce tasty dishes for your colleagues to judge. Will you be a John Terrode, Raymond Blanc or a Gordon Ramsey? Lots of belly laughs and fun with this event.
