

The Canape Contract

Team Size: Up to 50

Duration: 2-3 hours

Learn how to make tempting canapés with a professional Chef, then teams go head to head to win the Canapé contract.

In this fun activity teams go head to head to win a contract to supply canapés. Great fun team building and bonding with plenty of nibbles to taste along the way.

Our expert chef will give a fun interactive demonstration on how to make canapés with garnishing techniques. Envelopes are then given to teams with details about the canapé contract. Examples include a selection of canapés for 'Sarks and Mencers' or 'Beckenam Palace'. Colour and presentation is essential, a vast range of ingredients are given to inspire our budding chefs! Teams will have a selection of mirrors, slates and plates to use for their visual display. Then comes the all important "Pitch" where teams can gain extra points if they can persuade the judges why their canapés should win the contract.

Team Skills:

- Collaboration
- creative thinking
- communication
- presentation
